

DONEGAL ADVENTURE CENTRE BEACH LIFEGUARD APPLICATION & INFORMATION

Thank you for your interest expressed in joining on the National Beach Lifeguard Qualification course to be held at Donegal Adventure Centre and the adjoining Beaches. The course requires fitness and you should be training aerobically now by running/cycling/swimming.

You should have the ability to Swim 400m in 8 minutes and comfortably be able to Run 1000m on entering the course. As much of the course will be held outdoors I would suggest that when we move to the beach you bring the following items with you where possible.

1. Wetsuit, swim gear, swim fins, running gear and a number of towels.
2. Warm outdoor clothing including head cover.
3. Outdoor footwear, runners, booties or old runners for the sea.
4. A complete change of clothing and footwear.
5. A bright coloured swim hat preferable Yellow NOT Blue or Black.
6. Note pad A4, biros etc.,
7. Whistle also required , for training and assessment purposes.

The Beach Lifeguard manual will be distributed to you on entering the course and you will be expected to study the book in the evenings after the course. It would also help if you were to brush up on your LIFE SUPPORT. If you presently hold the National Pool Lifeguard Book Qualification then it is a good idea to refresh your memory on principals of

NOP/EAP/SCIM Duties and the Role of a Lifeguard Lifesaver v. Lifeguard First Aid

If you have not covered this material before please do not worry, as it will form part of the course.

All course fees must be paid in full before start of course.

This course will be one of continuous assessment with a further assessment of physical skills, First Aid and Life Support in the last day of the course. This is a rather special course, and an opportunity to qualify in one of the world's most prestigious and recognised lifeguard qualifications. It is hoped that the day will finish at 6.00.pm (18.00hrs.) but this may vary.

We also make accommodation available to candidates if required: you can book dorm or private rooms at the Homefield Rock Hostel, on site at Donegal Adventure Centre.

PLEASE NOTE: The NBLQ is assessed by RLSS assessors and strictly observed. You are advised to note the swim times, and be confident of achieving them before enrolling. There are no refunds for unsuccessful candidates.
