Most residential programmes include full board and supervision in the price. It is impossible to offer all of activities in a short time but we will work with you, and your budget to put together the best deal. Some activities are very dependent on suitable weather conditions and tide times.

Special offers and rates are available during less-busy periods. We have winter wetsuits and other equipment which allows all of these activities to take place winter and summer, and very good value can be had in from November through to February. Staff at DAC are fully trained and experienced.

We do not take shortcuts, or scrimp on food, evening activities, staff or equipment.

Teachers and leaders are well looked after. We appreciate you coming to us, planning the trip, collecting money and giving your time to do this. We will do our best to accommodate your wishes, with the highest standards of safety and care.

What to bring for activities

You will be outdoors no matter what the weather so make sure to bring a warm waterproof jacket. Do bring lots of old clothes. Tracksuits, hoodies / sweatshirts and old t-shirts are much better to bring rather than jeans and designer shirts. Put your name on everything you want to bring home too – it can be hard to tell one black t-shirt from another. If you are doing an activity where you are told you will get dirty – trust us you will. The clothes won't be ruined forever but you will definitely need a change of clothes for the way home.

You need a swim suit and a towel for water sports and you need to bring at least 2 pairs of runners / trainers – one pair of which that you can get dirty or wet, another to wear home.

NB you must also bring heavy duty plastic bags with you for wet dirty clothing.

If you have them.

If you have a wetsuit (full length only), booties or wet shoes, waterproofs, hiking shoes etc feel free to bring them but do not get them especially for this trip. You can bring phones, ipods, guitars etc if you wish but it is entirely at your own risk -

Don't bring.

Anything very expensive and new unless told otherwise. You are here to have a great adventure but you will be outside in water and mud and you will be too busy laughing to remember that you can't get you designer shoes dirty.

A deposit of € 5 per person is required to **secure** your reservation and full payment is due prior to arrival. 50% of the total amount due will be withdrawn on any cancellation made in the week before the booking. 100% of the total amount will be charged on any cancellation made within 24 hours of the booking.
